Le Mesurier Artists' Colors

Are the same in first shades and will produce absolutely the same tints as the best English tube paints. We guarantee our colors to possess all desirable features found in domestic or foreign manufactures and to excel them in many essential qualities, such as—impalpable fineness, freedom from lint and other vexatious substances and positive uniformity of strength and shade.

NOTICE.—Our Single Tubes, with few exceptions, are double the size of any foreign now in the market. Price List and pamphlets, giving opinions of some of the most eminent artists, will be furnished on application. Among others who have used them, and attest their merits, are :

Solid Silverware. *In this stock (devoted to solid silver exclusively, save that plated candelabra, and plated trays, or salvers, are kept), the endeavor is to offer to buyers the pick and choice of the best and most tasteful wares now produced.*

Of Tea Services a particularly fine variety is offered, at all prices from \$200.00 (for a set of 5 pieces) upward; also of Dinner and Dessert Services, and the whole range of table silver. It is believed that nowhere else can be seen a stock of solid silver as large and varied that so well meets the demands of the present advancing taste for purer forms and outlines and less ambitious decoration.

Toilet articles—mirrors, brushes, combs, puff-boxes, manicure sets, glove stretchers, perfume bottles; library furnishings—inkstands, calendars, pen-trays, pen wipers, check cutters, mucilage jars, etc., etc., are also here included, as well as innumerable small goods.

Special attention is given to the appropriate marking of all silver.

AN EXCELLENT REASON!

SHE—Now, don't forget to bring me home the *COMMERCIAL*, will you, dear?

HE—Why do you always insist on that paper?

SHE—Well, John, it's the most wholesome and readable paper in New York, and it's so nice to read it by the fireside.

[They say that the *COMMERCIAL* will give a week's subscription free to any one who wants to examine it.]

Uniform Price of **2** Cents a Copy.

The COMMERCIAL is to-day acknowledged to be the best of all the New York evening papers.

But this will not prevent it from making a still more readable paper next year.

It means to make its pages entertaining to all without descending to any of the forms of sensationalism now so much in vogue.

It is therefore the duty of all persons who really desire to encourage a newspaper, which can be read by any member of their family, to read it diligently and make its present successes more widely known and appreciated.

The Saturday edition has many special features which have made it highly popular of late, being a complete publication by itself, recording the doings of the week in various departments of intellectual activity and enlivened by correspondence from all parts of the world and much other interesting reading.

DRESS SILKS IN 1890.

We have arranged to supply an unusually large demand for Silk Fabrics during the year.

Our Silk Department is thoroughly organized and equipped for the extra work devolving upon it. We have everything that is desirable to suit all the tastes and uses calling for these materials.

Especial attention will be paid this season to Plain and Fancy Silks—striped, brocaded and printed—of lighter weights, suitable for spring and summer wear; in particular to those that will not pull or crack in the seams and will not fade or spoil in washing.

Requests for samples, to receive proper attention, should state clearly the kind of fabrics desired.
